Christchurch

Christchurch is New Zealand's second-largest city and the gateway to the South Island. Bordered by hills and the Pacific Ocean, it is situated on the edge of the Canterbury Plains that stretch to the Southern Alps.

There is nowhere else in the world where, within two hours of an international airport, you can ski at a world-class alpine resort, play golf, bungy jump, raft, mountain bike, hot-air balloon, wind surf, whale watch and visit internationally-acclaimed wineries and gardens.

Christchurch has long been known as The Garden City – and with good cause. It take enormous pride in their gardens and the city is alive with natural beauty throughout the year.

One third of all public land is devoted to parks and reserves. This includes 13 major metropolitan parks covering some 3,000 hectares. The jewel in the crown is Hagley Park the green heart of the city. Bordered by the tranquil Avon River, it is 161 hectares of majestic trees, greenery, lakes, playing fields and flowers.

Otahuna Lodge

World in a Day

TEST - Quick note test goes here.....
New Zealand is often described as "The World in Miniature" and this once-in-a-lifetime helicopter adventure exhibits the rich diversity of its many landscapes.

From Otahuna, you will fly across the Canterbury Plains and into the heart of the Southern Alps where you will have the opportunity for multiple landings to take in the area's stunning mountains, glaciers and waterfalls before landing on the rainforest-cloaked coastline of the Tasman Sea.

A diver will be awaiting your arrival and will collect crayfish (lobster) and fresh fish for your lunch as you watch. Next, you will fly up the length of Fiordland National Park's Milford Sound before landing at Minaret Station, a remote helicopter-accessible-only alpine camp.

Following a magnificent lunch incorporating your just-caught, fresh seafood you will helicopter back over alpine lakes and past Aoraki Mount Cook, New Zealand's highest peak, before landing in Otahuna's grounds. This is truly a New Zealand adventure without equal.

Wanaka

Wanaka, sheltered behind the Southern Alps in the South Island of New Zealand, is the ideal holiday destination. There is something for everyone, whatever your age, ability or sense of adventure. From fishing to flightseeing, tramping to tennis, horsetrekking to heli skiing, goldpanning to golfing. Close to the Mount Aspiring National Park, the area is a natural paradise.

About an hour's drive from Queenstown, Wanaka is very near several excellent ski areas (such as Treble Cone and Cardrona) and some very good places to go tramping. Many of the most popular activities in Wanaka involve the beautiful lake. While the pace of life here is far more sedate and less huried than in Queenstown, Wanaka features many of the same high adrenalin activities and adventures. So if you want to do your paragliding, jetboating or rap jumping in a more quiet and secluded atmosphere, Wanaka might just be the place.

Christchurch to Wanaka

Today you will be travelling on one of the most picturesque routes in New Zealand. Your journey will take roughly 6 hours, en-route you will travel across the flat, fertile Canterbury Plains, through the arid Mackenzie Basin and past Mount Cook, before reaching the delightful town of Wanaka.
Time and weather permitting, a detour to Mount Cook, New Zealand's highest peak and home to the world's largest buttercup, is well worth the 110km side-trip.

Cooking Class with Chef James Stapley (2.5hr)

The class will be booked for 2:00pm.
Enjoy a 2.5 hour cooking class, with award-winning chef James Stapley, focused on getting the best out of seasonal ingredients and preparing restaurant-quality dishes at home. With notice, your in-depth class can be designed to suit your requirements.

James trained in top London kitchens at the Hilton and Selfridges. He moved to New Zealand with his Kiwi wife, Belinda, and first came to notice at Pegasus Bay Winery where, as head chef, his expertise saw the restaurant win the best casual dining category of the 2005 Cuisine Restaurant of the Year Awards.

After working at renowned restaurant Saggio di Vino in Christchurch, where he excelled in producing simple yet delicious fare using only the best local and seasonal ingredients, he became the mastermind behind the sumptuous yet subtle cuisine at Whare Kea. His food is simply presented – deceptively so, for the preparation is anything but. He likes a clean style, cleverly preparing dishes that showcase the finest ingredients.
