During the reports development process

Check publishing content has been entered correctly

In TourWriter, go to Tools > Additional > Data Import/Export > Publishing > Select Service Types > Load.

Refer to the How to View and Export Information from TourWriter document for more details.

What Happens Next?

Congratulations! You are now well on your way to achieving your TourWriter Implementation.

While the initial training has been completed, we are never far away and always on hand to discuss any issues, offer advice, or help you develop custom reports for your business. Additional training for new staff or as a refresher is available too. Please contact us for our current training rates.

You will continue to receive updates via the TourWriter Start Page. Our Training Modules will also be updated, and you'll be invited to attend our Webinars. Remember to keep up to date with everything in the “TourWriter world” with our blog.
